

Stream Smarter, Not Harder. • Your TV, Your Way.

**Wiatel TV Pairing Instructions:  
You Must Be With Your Home Set Top Box For Initial Pairing.**

1. Download the Wiatel TV app from the appropriate user store (Apple App Store, Google Play, Amazon or Roku).
2. Select the Wiatel TV icon from the screen. Click ADD NEW ACCOUNT.

3. Next you will need to get your login and passphrase. You will need to be at home in front of one of your home set top boxes. Select MENU on your TV remote control.
4. Arrow down to SETTINGS-APPS-DEVICE CODE and press OK.
5. The Manage Your Devices screen will show your Login and Passphrase codes.

6. Enter the LOGIN CODE into your Wiatel TV app on your device.
7. Click PAIR DEVICE.
8. Enter the 8-DIGIT PASSPHRASE into your Wiatel TV app on your device. Click PAIR DEVICE and enter an Account Name. This name can be anything you want to name your device.
9. Click on the account name you just created located under the Add New Account button to access Wiatel TV and begin watching TV from your device just like you are at home! You can do everything from the app that you can do on your normal set top box.

- Wiatel TV app allows two connected devices with one concurrent stream per Wiatel TV streaming subscription.

If you want to add more streams, call our office at 712-944-5711.
